6.5.2.3 Collaborative quality initiatives with other institution(s)

Sumathi Reddy Institute of Technology for Women is always intended to collaborate with other institutions in fostering growth, innovation, and knowledge exchange within an educational institution and to enhance the learning experience and provide students as well as faculties with opportunities to engage with diverse perspectives. Also, the enhancement of academic programs, research opportunities, and industry exposure for students and emphasize the access to state-of-the-art resources, facilities, and mentorship that collaborations provide.

To
The Principal,
Sumathi Reddy Institute of Technology for Women,
Warangal, Telangana.

Subject: Approval for conducting One day seminar on Understanding Research Paradigm –5th January 2019.

Respected Madam,

This is to bring to your kind notice that the Department of CSE would like to organize a One-day seminar on Understanding Research Paradigm –5th January 2019. We request you to approve the workshop.

Thank you.

L e a r n i n g a t i t s b e s t

Affiliated to JNTUH - Approved by AICTE

Date: 5/1/2019

Location: SRITW Duration: 1 Day

Resource Person: Dr. R. Naveen Kumar, Professor, Vaagdevi Engineering College

Participants: 96

The seminar on "Understanding Research Paradigms" was conducted with the aim of providing participants with a comprehensive understanding of various research paradigms, their significance in academic and scientific research, and how to select and apply the appropriate paradigm for a given research question.

Seminar delivered the following topics:

1. Introduction to Research Paradigms
2. Types of Research Paradigms
3. Selecting the Right Research Paradigm
4. Case Studies and Examples
5. Interactive Activities
6. Q&A Session
7. Conclusion and Takeaways

Seminar Highlights: The seminar successfully met its objectives by engaging participants in interactive discussions, group activities, and practical examples. Participants actively participated in discussions regarding the strengths, weaknesses, and philosophical underpinnings of different paradigms. The case studies and real-world examples provided a clearer understanding of how each paradigm influences research design, data collection, and interpretation.

Memorandum of Understanding

This memorandum of understanding is signed on 20.11.2019 between the following institutions:

- Dr. K. V. Subba Reddy Institute of Technology, Kurnool
- Sumathi Reddy Institute of Technology for Women, Warangal

This Memorandum of Understanding is proposed to benefit the student community and faculty to enhance their skills and knowledge between Dr. K. V. Subba Reddy Institute of Technology and Sumathi Reddy Institute of Technology for Women.

Types of Cooperation

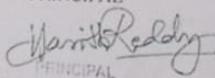

Both institutions commit to support the following initiatives and uphold the values of cooperation through this memorandum.

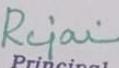

- Share knowledge in the form of guest lectures or training sessions to the faculty and students.
- Joint conferences and workshops.
- Visits by faculty, professional staff, and students.

Both institutions are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations. The institutions shall keep each other informed of potential opportunities and share all information that may be relevant to secure additional opportunities for one another.

Terms

This Agreement will become effective upon the date of signature by both the institutions. It shall remain valid for a period of five (5) years from the date of the last signature, with understanding that it may be modified by written mutual consent of both the institutions. This Agreement may be terminated by either institution with advance written notice of at least thirty (30) days. The agreement may be extended by mutual consent of the two institutions after the five-year period, and it must be renewed in writing.

Report on Workshop on NBA Accreditation & Assessment

Date: 13.12.2019

Venue: Seminar Hall

The coordinators, Mr. Vasam Srinivas and Mr. K. Ravi Kiran, welcomed Dr. R. Praveen Joshi to begin the workshop's discussion on NBA accreditation and assessment.

- Dr. S. Praveen Joshi initially explained all the criteria and their significance in terms of marks in overall assessment.
- After that, he delivered a talk on Introduction to OBE, Vision, Mission and PEOs, POs, PSOs and
- necessary preparations for accreditation process.
- The speaker explained about the process to write the Vision & Mission and the action verbs in it.
- The speaker explained with an example about formulation of CO, CO-PO mapping and preparation.
- The speaker also focused more on how to fill the SAR- NBA and the necessary preparations with detailed explanation.

All of the participants benefited from this workshop, which was excellently followed by questions and answers and participant interaction.

Memorandum of Understanding

This memorandum of understanding is signed on 21.06.2019 between the following institutions:

- Talla Padmavathi College of Engineering, Warangal
- Sumathi Reddy Institute of Technology for Women, Warangal

This Memorandum of Understanding is proposed in order to promote cooperation in engineering education and promote the academic activities between Talla Padmavathi College of Engineering and Sumathi Reddy Institute of Technology for Women.

Types of Cooperation

Through this memorandum, both institutions affirm the values of collaboration and agree to promote the following activities.

- Organize workshops/events/Faculty Development Programmes.
- Opportunities for faculty and staff development and exchange.
- Other activities related to academics as mutually agreed.

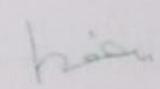

This Agreement places no financial obligations or supplementary funding commitments on either institution. These activities will be defined through separate program agreements that detail the commitment of resources required by each institution. Subsequent program agreements must be approved in writing by the authorized representatives of each institution.

Terms

This Agreement will become effective upon the date of signature by both the institutions. It shall remain valid for a period of five (5) years from the date of the last signature, with understanding that it may be modified by written mutual consent of both the institutions. This Agreement may be terminated by either institution with advance written notice of at least thirty (30) days. The agreement may be extended by mutual consent of the two institutions after the five-year period, and it must be renewed in writing.

This Memorandum of Understanding completed in English is hereby signed in two (2) copies with one (1) remaining in the possession of each institution.

Report on Workshop on Innovative Teaching Methods

Date: 05.06.2020

Venue: Online mode

All the faculties joined online workshop through the Zoom meeting link which was shared to them.

The workshop coordinator Mr. M. Ranjith Kumar initiated the meeting by welcoming the speaker Dr. L. Srikanth to deliver his talk on innovative online teaching methods.

- The speaker initially talked about the various aspects of teaching and the role of teacher as counsellor, communicator, collaborator and as role model in the regular classwork time.
- Later, he stated that, in this pandemic situation, online teaching platforms have become a core appealing option for education and information delivery.
- He explained the various teaching methods such as presentations, whiteboarding, live chatting, game-based learning, live online classes such as Zoom, Google Meet, Google Classroom, Microsoft Teams, Cisco Webex, etc., highlighting and comparing their essential features and limitations.
- Based on this, educational implications are discussed and are a guide to choose a suitable platform for their teaching.
- Pre-recorded lectures can help to some students those are still unable to adapt to the live classroom approach due to network.
- He also suggested the faculties that how to make students to actively participate in online classes by some educational gaming apps such as Kahoot, Funbrain, BarinPop etc.

All the faculty gained awareness of many online meeting apps and educational gaming apps.

Memorandum of Understanding

This memorandum of understanding is signed on 05.02.2021 between the following institutions:

- Ashoka Women's Engineering College, Kurnool.
- Sumathi Reddy Institute of Technology for Women, Warangal.

This Memorandum of Understanding is proposed in order to promote cooperation in engineering education, other activities, enhance entrepreneurial mindsets among the students etc., between Ashoka Women's Engineering College and Sumathi Reddy Institute of Technology for Women.

Types of Cooperation

By means of this memorandum, both institutions commit to advancing the following initiatives and affirm the significance of collaboration.

- Organize various workshops on Entrepreneurship Development.
- Help the faculty and students to develop their business especially in the initial stages through incubation center.
- Assist the students in establishing various start-ups.
- Organize faculty development programmes, workshops, and various other activities.

The co-operation between first and second institution will facilitate effective utilization of the intellectual capabilities of both the institutions by providing significant inputs to each other in developing entrepreneurial skills, knowledge exchange, etc.

Terms

This Agreement will become effective upon the date of signature by both the institutions. It shall remain valid for a period of five (5) years from the date of the last signature, with understanding that it may be modified by written mutual consent of both the institutions. Report on Workshop on NAAC awareness programme on “Quality Assessment and Accreditation under Revised Accreditation Frame work”

Date: 23.08.2022

Venue: Seminar Hall

The coordinators, Mr. Vasam Srinivas and Mr. K. Ravi Kiran, welcomed Dr. R. Suresh Varma to start the workshop's discussion on NAAC assessment and accreditation under revised accreditation frame work.

- The speaker emphasized the importance to have NAAC accreditation, as it is a necessity to acquire funds from all funding agencies like RUSA, UGC and others.
- He explained the eligibility criteria to apply for Assessment & Accreditation process of NAAC and the following:
 - Registration Process
 - Online IIQA Submission
 - Preparation of Self Study Report
 - Data Validation and Verification process
 - Student Satisfaction Survey
- Along with emphasizing the value of strictly adhering to deadlines, he also discussed the necessity of reading relevant documents and visiting the NAAC website, dashboard, and Standard Operating Procedure often. SSR preparation must be prioritized because once it is submitted, it cannot be changed.

There was a question-answer session, where many questions were asked by many faculty for understanding NAAC process. The expert answered all the questions and helped the faculty.

Memorandum of Understanding

This memorandum of understanding is signed on 10.12.2018 between the following institutions:

- Vaagdevi College of Engineering, Warangal.
- Sumathi Reddy Institute of Technology for Women, Warangal.

This Memorandum of Understanding is proposed in order to promote cooperation in engineering education, scientific research and to persuade the students to possess a sound technical knowledge in the area of study between Vaagdevi College of Engineering and Sumathi Reddy Institute of Technology for Women.

Types of Cooperation

Both institutions commit to advancing the following initiatives and reaffirming the benefits of cooperation through this agreement.

- Organize guest lectures, seminars.
- Opportunities for faculty and staff development and exchange.
- Visiting research scholars to research centre.
- Technology transfer among the students

This Agreement places no financial obligations or supplementary funding commitments on either institution. These activities will be defined through separate program agreements that detail the commitment of resources required by each institution. Subsequent program agreements must be approved in writing by the authorized representatives of each institution.

Terms

This Agreement will become effective upon the date of signature by both the institutions. It shall remain valid for a period of five (5) years from the date of the last signature, with understanding that it may be modified by written mutual consent of both the institutions. This Agreement may be terminated by either institution with advance written notice of at least thirty (30) days. The agreement may be extended by mutual consent of the two institutions after the five-year period, and it must be renewed in writing.

This Memorandum of Understanding completed in English is hereby signed in two (2) copies with one (1) remaining in the possession of each institution.

Report on Visit to Research Centre

Date: 17.06.2023

Venue: Vaagdevi College of Engineering

All the faculty of our college visited the research center established in Vaagdevi College of Engineering for the awareness of research initiatives, collaborations etc.

The Dean, Research Center explained the importance of research as:

It is a scientific and systematic investigation or inquiry especially through search for new facts in any branch of knowledge.

It is widely regarded as providing benefits to individuals and to local, regional, national, and international communities involved in the education system.

He explained the facilities providing by their research center to the scholars and the aspirants who are willing to pursue Ph.D. in their respective thrust areas.

All the faculty benefited by visiting this research center and got awareness on how the research should be done along with their academic responsibilities.
