

7.3 Institutional Distinctiveness

7.3.1 Portray the performance of the Institution in one area distinctive to its priority and thrust within 1000 words.

Response:

The New Generation Innovation and Entrepreneurship Development Centre (NewGen IEDC) is the program launched by the National Science and Technology Entrepreneurship Development Board (NSTEDB), Department of Science & Technology (DST), Government of India. NewGen IEDC aims to inculcate the spirit of innovation and entrepreneurship amongst young students to encourage and support start-up creation through guidance, mentorship, and support.

SRITW is one of the 26 institutes selected as centers under NewGen IEDC, which was sanctioned by the government of India and established on 13/11/2018. Its mission is to promote knowledge-based and technology-driven start-ups by harnessing young minds and their innovation potential in the academic environment. In this Institution, SRITW, NewGen IEDC would create a vibrant entrepreneurial culture amongst the students. NewGen IEDC will strive hard to convert job-seekers to job providers through the entrepreneurial route.

SRITW is the only women's engineering college in Telangana to have NewGen IEDC and receive a grant of 2.8 crores from the Department of Science and Technology (DST). Prominent personalities from the industry take sessions with the students regularly to acquaint them with contemporary best practices existing in the industry. Thereby producing globally employable graduates with adequately equipped entrepreneurial skills.

NewGen IEDC-SRITW organizes a series of events like weekly innovation challenge, project expo, start-up awareness drive, tinker camp, and ideation fest every year to instill the spirit of entrepreneurship among the students.

Objectives of NewGen IEDC:

1. To channel the knowledge and energy of youth towards becoming active partners in the economic development process.
2. To catalyze and promote the development of knowledge-based and innovation-driven enterprises and promote employment opportunities amongst youth, especially students.
3. To inculcate a culture of innovation-driven entrepreneurship.
4. To act as an institutional mechanism for providing various services including information on all aspects of enterprise building to budding entrepreneurs.

Functions of NewGen IEDC:

1. To motivate, support, and mentor students for identification, development, and commercialization of their innovative ideas.
2. To initiate a targeted number of innovative student projects each year for new product development.
3. To organize business plan competitions/innovation camps/Hackathons with active involvement of industry and alumni.
4. To guide and assist prospective entrepreneurs on various aspects such as preparing project reports, obtaining project approvals, loans and facilities from agencies of support system, technologies information, etc.
5. To arrange interaction with entrepreneurs, bankers, professionals, and potential customers and create a mentorship scheme for student innovators.
6. To facilitate the creation of an entrepreneur's club / E-Cells in the college to foster a culture of entrepreneurship amongst students.

Salient features of NewGen IEDC:

1. It is a five-year program to be implemented in an educational institution.
2. A maximum of twenty new projects per institution would be supported in a year.
3. The projects should be students' projects with a high degree of innovation and commercial viability to lead to possible start-ups by students.
4. As far as possible, the projects should be multi-disciplinary and to be executed by teams consisting of students drawn from various levels.

SRITW has produced more than 65 innovative projects, out of which 30 products are commercialized seven products converted into start-ups and 8 are in progress.

WARANGAL - 506 371 (T.S.)

The details of the performance of the institution in one area distinctive as its vision, priority, and trust.

Our institution is providing excellent and quality teaching to our students. This would help them to shape their character and career suitable to the development of the nation. To provide life skills, and value-based higher education with sound moral values.

Vision:

- To empower women in the field of Science and technology and transform them as innovators, leaders, and entrepreneurs.

Mission:

- To create and nurture a unique learning environment for faculty and students by providing state-of-the-art infrastructure.
- Foster a culture of innovation and entrepreneurial spirit among students and faculty.
- To promote industry interaction, avenue of research, and employment opportunities.

Sumathi Reddy Institute of Technology for Women is one of the prime education institutions in the urban area of Warangal with quality education.

Hasanparthy is one of the villages in Warangal urban district. It was deprived of the higher education institutions. It was observed keenly by Sri A. Varada Reddy Gaaru, who is a renowned personality in the educational field and hence decided to provide higher education to rural, urban, and backward students, in particular.

A good number of alumni have become a part of both private and public sectors and reached a greater height.
