About the Institute:

Sumathi Reddy Institute of Technology for Women (SRITW), established in the year 2009, is sponsored by Sarvahitha Educational Society which has four decades of rich experience in the field of Education. It is located on Warangal-Karimnagar highway at about 15 KM away from Warangal City. SR Group runs Engineering Colleges, Junior Colleges and Schools spreading across Telangana and Andhra Pradesh. SRITW has been in the forefront in imparting high quality technical education. State of the art infrastructure in all branches of engineering, dedicated and qualified staff, highly conducive environment for teaching-learning process are the hallmarks of this professionally managed institution. The institute is affiliated to Jawaharlal Nehru Technological University, Hyderabad (JNTUH).

SRITW is the one and only Women's Engineering College in Telangana, which established NewGen Innovation and Entrepreneurship Development Cell (NewGen IEDC), Sponsored by NSTEDB, Department of Science and Technology, Government of INDIA.

SRITW is established with a clear vision to empower women in the field of science and technology and transform them as Innovators, Entrepreneurs and Leaders.

About the Programme:

An Entrepreneurship Development Programme (EDP), of 4 weeks duration, aims at training the S&T graduates and the diploma holders in the essentials of conceiving, planning, initiating and launching an economic activity or an enterprise successfully.

The programme content includes class room training on essentials of entrepreneurship survey of the prevalent socio - economic scenario, identification of business opportunities, role and function as well as schemes of assistance offered by various constituents of the support system, preparation of a technically feasible and economically viable project report, Achievement Motivation Training and also the nuances of management of an enterprise. Sessions on technology and finance are also arranged, depending upon the nature of project selected.

Special EDPs are being conducted with more emphasis on linkages with R&D institutions to take up projects based on indigenous technologies and services, in the area of high technology, such as leather, plastics, bio-medical equipment, high speed data communication and other emerging areas of technology.

About the Entrepreneurship Development Institute of India (EDII):

Entrepreneurship Development Institute of India (EDII) an acknowledged National Resource Institute for entrepreneurship education, research, training and institution building - is an autonomous and not for profit institute, set up in 1983. It is sponsored by apex financial institutions viz. IDBI bank ltd, IFCI ltd, ICICI bank ltd and the state bank of India (SBI). The government of Gujarat pledged 23 acres of land on which stands the majestic and sprawling EDII campus. To pursue its mission, EDII has helped set up 12 state-level, exclusive entrepreneurship development centres and institutes.

In order to broaden the frontiers of Entrepreneurship Research, EDII has established a Centre for Research in Entrepreneurship Education and Development (CREED), to investigate into a range of issues surrounding small and medium enterprise sector, and establish a network of researchers and trainers by conducting a biennial seminar on entrepreneurship education and research.

Launchpad, a learning and networking facility for students, has also been put in place where the student benefit by being a part of the entrepreneurial community and by networking with budding entrepreneurs. Also instituted are the industry verticals - a facility designed to help students explore business opportunities in various sectors. EDII offers industry verticals in about 20 areas.

The institute also hosts an incubation centre, with support from the national science and Technology Entrepreneurship Development Board (NSTEDB), Department of Science and Technology (DST), Govt. of India. Named the Centre for Advancing and Launching Enterprises or CrAdLE. This incubation centre has zeroed in on four sectors viz. manufacturing, food/agri business, renewable energy and healthcare, to promote start-ups.

EDII leads the Global Entrepreneurship Monitor (GEM) -India team. The study has emerged as the world's leading entrepreneurship study and the richest platform of entrepreneurship research.

Topics Covered but not limited to:

- Entrepreneurship Development progress and model: Concept, process, EDP model and strategies.
- Skills and behavioural training: Entrepreneurial motivation and competencies, counselling, confidence building.
- Resource Building: Procedures and formalities in setting up new enterprises, incentives and benefits for entrepreneurs.
- Knowledge based information inputs: Curriculum development, procedures involved in initiating, planning, implementing and evaluating EDP curriculum.
- Business Opportunity Identification
- Business profile preparation, business plan formulation, assessing the viability of a business plan.
- Small business management.
