## REPORT

Name if the programme	One day career guidance program on "EXCELLENCE IN ENGINEERING"
Number of days	One day
Name of the resource person	Mr.M.Ramesh
Number of students who participated	132
Date	29-03-2019

### ABOUT PROGRAMME:

**Objective of the Program:** The main objective of this program is

- Effective Problem-Solving: Enhance problem-solving skills through practical exercises.
- Ethical Engineering: Introduce ethical considerations in engineering and emphasize the importance of ethical decision-making.
- Communication Skills: Improve communication skills with focus.
- Team Collaboration: Foster teamwork and collaboration by engaging participants in group activities and discussions.
- Innovation and Creativity: Encourage creative thinking and innovative problem-solving approaches.
- Professional Development: Offer insights into career development and strategies for achieving success in the engineering field.

**Outcome:** The program outcome is designed to provide a well-rounded educational experience, preparing students for successful and responsible careers in engineering while emphasizing the importance of ethical, innovative, and global perspectives.

**Feedback of students:** Thank you so much for your help and career guidance we really liked meeting with the counsellor. He helped us to understand potential & skill sets and gaps there. Was a very informative session and various opportunities were guided.
