**Response:**

The institution provides an inclusive environment for everyone with tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities. Different sports and cultural activities organized inside the college promote harmony towards each other. Commemorative days like Women's day, Yoga day, along with many regional festivals like Dussehra and Sankranthi are celebrated in the college. This establishes positive interaction among people of different racial and cultural backgrounds. Institute has a code of ethics for students and a separate code of ethics for teachers and other employees which have to be followed by each one of them irrespective of their cultural, regional, linguistic, communal socioeconomic and other diversities.

Equal opportunities are provided to the students to participate in various activities conducted irrespective of their caste, creed, religion, and region. The institution has an NSS wing to inculcate a sense of unity, discipline, and harmony. The activities undertaken by the NSS unit in our institution mitigate the socioeconomic diversities and progress them towards leading a tolerant and harmonious living.

SRITW celebrates national and international commemorative days and events to treasure the moments and instil a sense of meaning and significance in the lives of students and staff.
